GREENS & HERBS

Broccoli *Gypsy*

Large, healthy plants have intermediate resistance to downy mildew and good heat tolerance. Prolific side shoot producer for continuous harvests!

Cabbage *Caraflex*

Leaves are tender, crunchy, and have an excellent, sweet, mild cabbage flavor. Perfect for summer salads, slaws, or cooked dishes. We love this variety for its fun cone-shaped head!

Cabbage *Tendersweet*

Tender leaves are very thin, sweet, and crisp — perfect for coleslaw or stir-fries. The leaves, used whole or cut into squares, are also suitable for wraps.

Slicing **Cucumber** *Marketmore 76*

Long, slender, dark green cucumbers perfect for fresh eating. Plants begin bearing late, but produce for a relatively long time.

Basil
Prospera

Genovese-type with a highly productive habit. Leaves are large and cupped with a slightly sweet and spicy aroma. Perfect for pesto, pizzas, caprese salads, and more!

Cilantro
Calypso

Classic cilantro flavor, perfect for toppings and salsa. Prefers cooler weather, but this variety is more heat tolerant and slower to bolt than most.

Italian Parsley
Giant of Italy

Huge, dark green leaves with great flavor are perfect for sauces and topping your favorite salads.

Green Curly Kale
Winterbor

Long-season green curly kale with excellent yield and good cold-hardiness. Keeps going all season long!

**Green Leaf
Lettuce**
Starfighter

Heat-tolerant, disease-resistant green leaf lettuce. Perfect for summer salads.

**Butterhead
Lettuce**
*Red & Green
Salanova Mix*

A mix of green and red head lettuces with delicate, buttery flavor

PEPPERS

Hot Pepper

Jalafuego

Jalapeno

Wonderful flavor with the perfect amount of heat. Can be used fresh or dried.

Hot Pepper

Hungarian Hot

Wax

Hot pepper; perfect for pickling, stuffing, and frying. Plants do well even during cooler summers. Fruits ripen from yellow to orange to red and can be used at each stage.

Sweet Bell Pepper

X3R Red Knight

Early, green-to-red pepper with a fruity and sweet flavor. A very reliable red pepper variety.

**Mini Sweet
Pepper Mix**
*(Red, Orange,
& Yellow)*

Colorful, easy-to-grow peppers! Bountiful yields of small, nearly seedless fruit that are perfect for snacking. Exceptionally sweet. Each pack has a mix of plants for a variety of sweet, colorful peppers.

TOMATOES

Cherry Tomato *Sakura*

Plants produce early yields and keep going all season with vivid red fruits for snacking, salads, and more. Classic cherry tomato flavor — firm, sweet, and well-balanced. *Indeterminate*

Cherry Tomato *Sun Orange*

Prolific producer of super-sweet orange cherry tomatoes. Lower acidity than many other varieties. Perfect for snacking and salads. Better than candy! *Indeterminate*

Slicing Tomato *Big Beef*

Unsurpassed as the top choice for fresh beefsteak tomatoes. Fruits have full flavor and ripen early for their size. *Indeterminate*

Sauce Tomato *Granadero*

Produces very high yields of thick-walled fruit ideal for fresh tomato sauces, salsas, and salads. *Indeterminate*

**Heirloom-
Type Tomato**

*German
Johnson*

Early, uniform, and highly productive pink heirloom type with acidic tomato flavor.
Indeterminate

**Heirloom
Tomato**

Green Zebra

Green-striped salad specialty. A delicious, tangy salad tomato that is ripe just as the green fruit develops a yellow blush, accentuating the darker green stripes.
Indeterminate
